Wesseling upright table ARISTO (ARIST00) (New)

New,
Dutch manufacture,
Aristo is a very strong and rigid tilt table,
The table has two electric motors that enable adjustment of the couch to 90°,
Standard features include a two-part plywood sleep surface and wheels with central braking system,
Adjustment by means of electric actuators powered from a battery, its high capacity battery can be recharged by means of an adapter included in the set,
The patient can be secured to the table with optional straps, so the patient is safe and the table can be tilted to any angle from 0 ° to 90 °
What angle the table is set at can be seen on the protractor mounted on the side of the table,
The headrest is adjustable in any position by means of a gas spring. The footrests are individually adjustable in 6 positions. In position 6 the footrests are completely folded down,
Technical parameters:
